

High Tide
Check the tide tables before walking on the beaches. Rising water can trap you against a cliff with no possibility of escape.

Private Land
Private land occurs throughout the parks. Trespass across and use of private land without owner consent is prohibited.

PACIFIC OCEAN

Heavy Surf
The pounding surf and rip currents are treacherous. Stay away from the water.

Steep Cliffs
Cliffs are likely to crumble and slide. Climbing on them or walking near the edge invites catastrophe. Because of falling rocks, walking below cliffs is dangerous. Keep away!

On the Road
Winding, narrow roads and wet or foggy conditions can be hazardous—please obey posted speed limits and road signs. Be on the lookout for large trucks, especially on Bald Hills Road. Motorhomes/RVs and vehicles pulling trailers should obey size/length restrictions.

Falling Limbs
Tree limbs can fall during high winds, especially in old-growth forests.

Yurok Reservation
The lands within one mile of each side of the Klamath River from the Pacific Ocean to 4.3 miles upstream compose the Yurok Reservation.
